Washington, DC USA
South Korea 2018-2021

A low-angle, upward-looking photograph of the Eiffel Tower at night. The tower's intricate iron lattice is illuminated with warm yellow lights, creating a glowing effect against the dark sky. A prominent blue diagonal banner cuts across the middle of the image, containing white text. The text reads "COP 21 - A Call to Action" in a bold, sans-serif font. Below this banner, the words "FOR THE PLANET" are displayed in a similar white, bold, sans-serif font, positioned horizontally across the tower's structure.

A tall, dark industrial stack or chimney stands against a bright blue sky filled with wispy white clouds. From the top of the stack, a large, intense plume of fire and smoke billows out, extending towards the upper left. The fire is bright orange and yellow, while the smoke is dark and billowing. The stack itself has a circular platform or walkway near the base.
